

# THOMAS & JANE ROSE GENEALOGY

Thomas Rose was born in Blandford, England, and baptised in the parish church of St. Mary at Sturminster Newton, Dorset on 24 November, 1754.

He was the fourth child of Christopher Rose and his wife Mary, the daughter of Benjamyne Belbin. They had married at Sturminster Newton on 21 May, 1740. There is a claim that he was descended 'from Richard Rose, the county of Dorset, who was granted an armorial bearing in November, 1639, during the reign of King Charles 1'.

Thomas married Jane Topp at St Mary's Church, Sturminster Newton, on 8 August, 1779 at a service conducted by Vicar John Bird. Thomas and Jane each signed with an "X". Jane was baptised 3 April, 1757, the daughter of Thomas and Mary Topp.

Thomas and Jane had seven children. The genealogy begins with Thomas, who was the first of four children born while they were farming at Blandford, the remainder were born in the Colony. He is known as Thomas II to prevent confusion.
